

Please use the following size guide to determine sizing, however do keep in mind that all babies are unique and often do not fit the "average" range. If your child's height and/or weight cross over more than one row on the table, we suggest you purchase the larger size. Our apparel can often be a smaller and trimmer fit than regular Australian sizing.

organic babywear size	australian size	age	height (cm)	weight (kg)	chest (cm)	waist (cm)
58 newborn	0000	up to 2m	58	4.5	40	38
64 3m	000	up to 3m	64	6.5	43	41
72 6m	00	up to 6m	72	8.0	46	44
80 12m	1	up to 12m	80	9.5	49	47
86 18m	2	up to 18m	86	11.5	51	49
92 2y	2	up to 2y	92	14.5	53	51
104 4y	4	up to 4y	104	17.0	57	54
116 6y	6	up to 6y	116	21.5	61	58

Measurement Guide:

Height - without shoes, feet together standing flat on the ground, measure height level from top of head to the ground

Chest - measure chest at fullest part

Waist - measure around natural waistline
